## Easter Greetings from the Street Children of Cambodia

## Happy Easter 2021!

Dear Friends:

With loving and thankful hearts, we greet you Happy Easter 2021!!!

First of all we Thank God for all the many blessings bestowed on us these past year. Our children and their families who are included in our ministry are day by day manifesting their thankfulness by being cooperative in all the activities that we do. They are improving their lives not only as good members of their families, but by being responsible citizens as well. This is the result of our love and support for the Street Children Ministry.

Without your support, our ministry cannot be made possible. As of now we are preparing for the Easter celebration. Again, we will be dramatizing the resurrection of Jesus. Children will be playing roles depicting this very important event in the life of Jesus. Everyone is excited to participate.

Again, I would like to thank you again and again. Your love to Jesus is extended to these underprivileged children in Cambodia. Their lives change because of our ministry. The deserving can go to school and after that, they can have jobs. The sick are taken care of and given proper assistance not only physical but emotional and spiritual as well.

May our God repay your kindness with more and more blessings and happiness. May you continue to support us as we continue with this our ministry. Your love is changing lives.

As we send our love, an Easter card is attached. This is a token of our gratefulness to you. Our children were the ones who sketched this in our Art Classes.

The world is going through a very difficult time with Corona virus (Covid-19), and each day gets worse than the prior day. As we follow the Government of Cambodia's health prevention protocol, we cancelled the Easter pageant and Khmer New Year program for the time being.

We pray to God that soon we will overcome the turmoil from Covid-19 and in the near future children will be able to celebrate our wonderful Easter.

We really need your prayer and support.

Please pray for our children and community as we pray for all of you.

May this letter find you in the best of health and well-being. We love you.

Very truly yours,
